

40 YEARS

Habitat for Humanity®

Spokane

INVEST WHERE YOUR COMMUNITY LIVES

2027 PARTNERSHIP GUIDE

Supply Deficit

Regional planning documents via the [Spokane County Housing Plan](#) indicate a long-term need for over **20,000 new housing units** over the coming decades to offset inventory shortages.¹

The Price Barrier

With county median home prices hovering between **\$407,248** and **\$446,411**, homeownership is **completely locked out** for households making under the median income.²

Ripple Effect

Housing instability forces families to move frequently, impacting workforce retention, disrupting local children's school years and heavily **erodes generational wealth building**.

Why Partner With Habitat?

A partnership with Habitat for Humanity-Spokane is an investment in local neighborhoods and the future of our region.

Today's organizations are looking beyond traditional sponsorships toward partnerships that create measurable community impact while supporting employee engagement and organizational values.

Habitat provides opportunities to do both.

Employee Engagement

Create meaningful experiences that strengthen teamwork, improve morale, and connect employees through purpose-driven service.

Social Responsibility

Support affordable homeownership and demonstrate your organization's commitment to creating stronger, healthier communities.

Community Visibility

Increase your organization's presence through highly visible community events, public recognition, and trusted nonprofit partnerships.

Brand Trust

Align your organization with a mission that reflects compassion, collaboration, and lasting community investment.

Local Impact

Every partnership directly supports affordable homeownership opportunities for families in Spokane County.

How Do We Create Opportunity?

For 40 years we have been addressing one of today's most urgent social issues: **affordable housing.**

When community comes together, families can stand on their own, achieving stability and self-reliance through homeownership. More affordable housing leads to stronger workforces, childhood development and creates the ability - and financial flexibility - for families to make forward-looking choices.

Homeownership Program

Habitat for Humanity-Spokane partners with individuals and families earning below 80% of the area median income to help provide affordable homeownership opportunities.

Qualifications

Prospective Habitat homeowners that demonstrate a need for affordable housing must be willing to partner with Habitat and pay a fixed mortgage rate of 30% of their income.

Our Biggest Gap

Habitat has the capacity to partner with premiere homebuilders to secure affordable housing at cost. Our biggest gap has never been how fast we can complete homes, **it's funding them fast enough.**

FY2026 IMPACT

22,144

**volunteer hours completed by local
community partners & advocates**

Meet Calvin

After a truck accident forced him to leave ironworking, Calvin faced an uncertain future as a single father working to provide stability for his family. With determination and support from Habitat for Humanity-Spokane, he completed more than 200 volunteer hours, navigated the homeownership process, and even donated extra labor to help another future homeowner.

Today, Calvin and his son Brayden are building equity instead of paying rent, enjoying the security of a permanent home where Brayden can grow up in a safe neighborhood with room to play and put down lasting roots.

2027 BUILD SCHEDULE

Women Build March 10 – 13

Women Build brings together volunteers from all walks of life to empower women and address the critical need for gender equity in affordable homeownership. By breaking down stereotypes, we transform lives through safe, decent homes in Spokane County.

Blitz Build June 9 – 18

Blitz Build attracts hundreds of volunteers through an accelerated build process. An event unique to Spokane, Blitz Build offers camaraderie as professional builders, sponsor groups, and volunteers work together to build safe, affordable homes and communities!

Pride Build June 15 – 17

Pride Build invites local allies and members of the LGBTQIA2S+ community to help build an affordable home while bringing awareness to the history of systemic discrimination that has barred others from equitable homeownership. Everyone deserves a place to call home!

Veterans Build September 8 – 11

Veterans Build is a national initiative to provide housing solutions and volunteer opportunities to U.S. veterans, military service members, and their families. This build event provides volunteer experience bringing together veterans, military families, and their neighbors to build safe, decent, and affordable housing.

Interfaith Build September 15 – 18

Interfaith Build unites people of all faiths in fellowship and service, putting Habitat's mission into action: "Seeking to put God's love into action, Habitat for Humanity brings people together to build homes, communities, and hope."

Birthday Build October 27 – 30

Celebrating 40 years of building homes, hope, and communities, our inaugural Birthday Build will bring together sponsors, volunteers, community members, and staff for a build event to cheers to 40 more years!

Year- round build opportunities

Bring you team out in a powerful team-building experience where you can work together to build homes, community, and hope for the families of Spokane County.

Sponsored Team Build Days are flexible, customizable, and a powerful way to show your support for affordable homeownership in our community!

Have something else in mind?

While these are our standard levels and deliverables, we understand that your company may have different ideas and budgets than what we've offered.

We love ideas and would welcome an opportunity to discuss your ideas and needs further! Please feel free to reach out and schedule time with our team.
