

Construction Supervisor Job Description

Job Title: Construction Supervisor
Department: Construction
Reports To: Construction Superintendent
FLSA Status: Non-exempt
Salary: \$56,000-\$64,000 annually

Summary: Responsible for the coordination of on-site volunteers, tools and equipment necessary to construct the assigned Habitat for Humanity-Spokane home. Responsible for the construction of the home until completion of the homeowner punch-list and will utilize volunteer and professional labor to meet construction schedules and construct a quality home in accordance with Habitat for Humanity-Spokane Standards of Construction and applicable local building codes. This will be done by performing the following duties.

Essential Duties and Responsibilities include the following. Other duties may be assigned.

An on-site position, necessitating working in all types of weather. Work with candidate families, community volunteers, AmeriCorps volunteers, work study positions, Career Path volunteers, and professional tradesmen. Ensure that the site is ready for volunteer work to begin when volunteers are scheduled to arrive.

Must possess a working knowledge of all phases of construction, including those tasks normally assigned to subcontractors. The supervisor will be required to provide on-site direction to subcontractors.

Review plans, specifications and construction sheets in order to construct an efficient, quality, and cost-effective house.

Follows specific plan for construction on basis of starting and completion times and staffing requirements.

Determines material list needed then presents it to the Chief Operations Officer or Construction Superintendent for procurement.

Coordinate subcontractors and materials with Chief Operations Officer or Construction Superintendent.

Perform daily administrative tasks on provided tablet or mobile device.

Supervise all sub-contracted work, unless approved by construction administration.

Coordinate and inspect all deliveries made to jobsite and notify construction administration of arrival and any problems with order.

Will be on site to supervise all subcontractors and volunteers to ensure that they are following all company policies and procedures and meeting Habitat-Spokane quality standards in construction.

Coordinate all on site activities; assigning tasks to the volunteers, and supervising their work to ensure safety, quality, and proper construction. A scope of work for each project will be provided by the Chief Operations Officer. The Construction Supervisor will ensure that work is being accomplished according to plans. They will meet inspectors and subcontractors on site and properly perform any changes required before the next phase of construction.

Construction Supervisor Job Description

Confers with and directs volunteers and subcontractors engaged in planning and executing work procedures, interpreting specifications, quality control and coordinating various phases of construction to prevent delays.

Responsible for safety standards on the job sites at all times. See to it that safety procedures and standards are being followed and met. First aid kits and safety equipment must be on each site. CPR training will be provided by Habitat for Humanity-Spokane.

Conduct welcome of all volunteers and subcontractors onsite, safety orientation, code of conduct and inspiration.

Work toward creating a positive and welcoming atmosphere on the Habitat-Spokane jobsites.

Monitor and document recycling program per Evergreen standards.

Follows best practices for the construction team and promotes new ideas and procedures to Chief Operations Officer or Construction Superintendent.

Inspects work in progress to ensure that workmanship conforms to specification and the adherence to construction schedules.

Prepares or reviews reports on progress and updates construction schedule weekly.

Responsible for maintenance and upkeep of all construction vehicles. Submit vehicle maintenance report to Chief Operations Officer or Construction Superintendent on a weekly basis. All vehicles must be cleaned out of all garbage and materials every day after work.

Responsible to keep office workspace clean and organized.

The daily execution of paperwork, purchase orders and coding receipts.

Bring volunteer sign in sheets from job site back to office daily, if applicable.

Ask volunteers to fill out evaluation forms at the beginning of each shift and bring back to office at the end of each day.

Actively engaged in building relationships within the community to better serve the needs of Habitat-Spokane. A good working relationship with subcontractors and vendors is a must.

Leadership in sustainable building and residential energy efficiency.

Working with the Chief Operations Officer or Construction Superintendent to expand volunteer opportunities within the construction department.

Ensure that Habitat owned tools are properly maintained and ensure that tools are inventoried and secured at the end of each workday in their designated place. The Construction Supervisor is responsible for the security of work sites, ensuring that sheds, homes, job shacks, and vehicles are locked securely. Jobsites will be cleaned, and materials sorted daily.

Construction Supervisor Job Description

Habitat-Spokane will supply all the tools and equipment you need to perform your job. Do not bring your own tools. Any tools on our job site are considered Habitat's property.

Inspect each phase of construction for quality and to determine if the work is meeting the construction schedule.

Utilize the Habitat warehouse for storage of purchased and/or donated materials. Prompt notification of inventory changes, (both received and removed) must be made to the Chief Operations Officer or Construction Superintendent.

Execute Homeowner Repair Requests and all other tasks, as directed by the Chief Operations Officer or Construction Superintendent.

Housing advocacy in the community.

(COVID-19) Follows Habitat-Spokane protocols at the construction site, construction office and events.

Attend all Habitat-Spokane Events.

Promotes the mission of Habitat for Humanity-Spokane.
