Homeowner Resource Fair 14

For 38 years we have been addressing one of today’s most urgent social issues: **affordable homeownership.**

With your help, families in partnership can stand on their own, achieving stability and self-reliance of homeownership. Better, more affordable housing leads to stronger childhood development and creates the ability - and financial flexibility - for a family to make forward-looking choices.

What we do

Homeownership Program

Habitat for Humanity-Spokane partners with individuals and families earning below 80% of the area median income to help provide affordable homeownership opportunities.

Qualifications

Prospective Habitat homeowners must demonstrate a need for safe and affordable housing, be able to pay an affordable mortgage, and be willing to partner with Habitat.

Need:
Currently living in inadequate housing (unsafe, overcrowded, paying more than 30% of their income towards housing).

Ability to pay:
Earn below 80% of the area median income for Spokane County, meet creditworthiness requirements, save for closing costs, and pay an affordable mortgage.

Willingness to partner:
Must commit to required 250 partnership hours and attend classes and workshops.

Show how YOUR business can make a difference.

Bring your team out for one of the most meaningful team-building experiences Spokane has to offer. While there's no financial commitment required to volunteer, many partners choose to deepen their impact by sponsoring the day. Sponsored Team Builds are flexible, customizable, and a powerful way to show your support for affordable homeownership in our community.

Let’s build HOPE, together.

The Hope Builders Luncheon is Habitat-Spokane’s **largest annual fundraiser** to sustain **affordable homeownership opportunities** in partnership with modest-income individuals and families in need of a safe, decent, and affordable place to call home. Together, we are investing in a brighter future for Spokane families through homeownership — creating opportunity, stability and generational wealth.
